The reading of the April Meeting Minutes was waived without objection and approved as disseminated in "Bunker Talk" and posted on-line.

The Paymaster's Report was received subject to audit. MCL has changed the dues renewal procedure, all yearly memberships will now run 1 September to 31 August. To make the transition easier on our members, those with renewals now through August, the Detachment will collect all dues and send one transmittal to MCL HQ in September. The Detachment will cover any late fees incurred by those members during this transition. Also, two new tents were purchased and now they need to have the logos put on them. The cost was less than purchasing through the MCL.

Additionally, there are plans for a social event on June 17<sup>th</sup>, more to follow. Looking farther ahead, a Project Officer and Action Team are needed for the Marine Corps Ball to be held in November which can be a stand-alone event or in combination with another group as was done last year. Also, "Wreaths Across America" will be December 16<sup>th</sup> at Barrancas National Cemetery.

Ed Rouse, PAO, gave updates on the raffle for the 1972 Dodge Challenger.
